

MRU 1:1 Program Device Insurance

A single payment of \$40.00 will provide protection from theft, accidental damage, drops and falls, collisions and broken screens.

Insurance does not provide coverage for lost items. Intentional damage and damage caused by neglect are not covered by this insurance plan. Your device must be in your possession, in your storage cart or locked in your locker at all times.

Insurance coverage offers peace of mind. You will no longer have to worry about unanticipated charges if your device is damaged.
